Alexandria, VA 22313-1450

Dear Sir:

This responds to the Requirement for Election of Species mailed January 26, 2007 in the above identified application. Claims 1-22, 25 and 26 are currently pending in the application.

The Examiner asserts that the application contains claims directed to the following patentably distinct species:

- I. A first species of a first specific system providing a common time base between different locations on earth, as best illustrated in claims 1-12.
- II. A second species of a second specific system determining ranging information to a spacecraft, as best illustrated in claims 13-22 and 25-26.

In response, Applicant hereby elects the first species, as best illustrated in claims 1-12, for prosecution in the present application. Claims 1-12 read on the elected species. Applicant hereby reserves the right to file the non-elected species in a divisional application.
